Barbara,

I sent the UAO to the registered agents of the PRP companies. Do you have a copy of the latest addresses for the registered agents for the Gulfco PRPs?

OK,
We are going to move forward and send our (Remedial Branch) letter that Gary drafted directly to the PRPs. Sam is still pushing to get a construction completion this year, so we (remedial) have to figure a way to make it happen. We want to send the letter directly to the PRPs. Do we have the names and address of the PRPs that signed the UAO? We would like to send our (remedial) letter directly to them as a last try to get the removal done ASAP. CAS

Barbara,
Did the PRPs respond to EPA's request to conduct the removal action? Thanks CAS
